

Skills to Succeed Academy

Accenture's Skills to Succeed Academy <https://s2sacademy.ie/> is a free interactive online platform that helps you build the awareness and confidence to think about and plan your future career, and the practical skills to help you make it happen.

Try complete two online modules, detailed below.

How to access the S2S academy

- You'll only need to register once on <https://s2sacademy.ie/> .
 - Your access code is **01JASP**, and you will need to use your own email address.
- Your log-in details will only work on the Irish s2sacademy.ie site, and not on s2sacademy.com or s2sacademy.org.
- You can choose a password that is easy to remember and write it down, for example in your workbook.
- Complete the short anonymous survey at the end of each module – you'll notice a green check box on the navigation folder and in your progress area, confirming that you've completed the module.

What Makes you Tick

Explore your interests, strengths, motivations and style and how these relate to careers
